A public school music program is offered to all students in grades one through five. The purpose of the program is to familiarize all students with the many different phases of music education. In the 5th grade all students are given a music survey to determine their musical ability. If the survey shows that there is a reason to believe the student is talented, the parent is contacted. If the child and parents are interested, the child continues to attend an orientation class to familiarize him or her with the various instruments in the band. During this time the student is encouraged to choose the instrument he or she would like to play. Once the decision is made an instrument salesman is invited to attend a meeting of parents to explain the lease of instruments. After each child receives his or her instrument, the class continues all year, stressing the basic fundamentals of rhythms, note values, and tone production. A student must maintain satisfactory academic grades in order to continue in elementary band.

The band student in the seventh grade reviews what he has been taught in the sixth grade and then continues on a path of exploration of new musical terms, rhythms, articulations, and other information that will be beneficial in later years. Emphasis is given to good playing fundamentals, with performances being in the latter part of the school year. The band is divided into three sections or instruction: brass, woodwinds, and percussion. This is done so that more attention can be focused on the individual problems.

The 8th Grade Band is known as the Junior High Band. This band performs for many of the Jr. High football games and several parades. The junior High Band hosts a junior High Band Clinic for many of the neighboring junior high schools and a Jr. High Solo and Ensemble Festival.

The "Pirate" Marching Band consists of all 9th grade band students who have finished their third class requirements and all 10, 11, and 12th graders who pass the requirements listed in this handbook. The marching band performs at home and away football games, various marching contests in the fall, parades and at State
Marching Band festival in the fall. The "Pirate" marching band has earned a superior rating at every state marching band festival it has entered for the past 42 years. The band competes successfully on both the state and national level.

Through necessity, an alternate system is used, but with it every student still has the opportunity to march throughout the marching season. Due to sickness, moving, etc. it is necessary for the field show to be written for fewer students than are on the roster.

**SYMPHONIC, CONCERT, AND VARSITY BANDS**

After marching season, the band is divided into three bands, Symphonic, Concert, and Varsity, through instrumental auditions. Through challenges every student has another opportunity to move up in the section or into a higher band. Each of the three concert bands work daily to develop their fundamentals through rhythm studies, method books, major scales, and extensive reading of concert band literature. We work to challenge students to raise their level of playing to a higher standard.

**JAZZ BAND**

Students selected for jazz band are based on tryouts for the marching band. The jazz band performs for civic organizations as well as for several school and band functions. The jazz band rehearses one time each week, generally after concert season begins.

**SOLO AND ENSEMBLE FESTIVAL**

Junior High Band Students will participate in a solo and ensemble festival in the Spring. Grades will be given for their participation in this event.
SCHEDULING AND OBJECTIVES

Band students in the high school band are scheduled for full band one period daily. In the full band rehearsal period, the band combine for full ensemble rehearsal. It is during this period and any other extra rehearsals that preparation is made for all public performances, including football halftime shows, contests, pep rallies, community concerts, and state band evaluations. It is as these performances that the band is evaluated by the general public as well as by the contest adjudicators. The performance aspect of the band program cultivates public support while allowing the students to show the results of their many hours of hard work. Performances also offer a tremendous amount of motivation, especially in contest situations.

REQUIREMENTS FOR MEMBERSHIP IN THE PEARL “PIRATE” BAND

No student will be denied the opportunity to study music at Pearl High School. However, a student’s membership in the “Pirate Band” will be determined by the successful completion of the 3rd class musicianship requirements and auditions at the end of the school year. The 3rd class requirements are designed to be passed off during the 8th grade year, but must be completed over the course of the summer prior to band camp in order for the student to be eligible for participation in the high school band. Students that move into Pearl Schools must audition for chair placement and pass off the 3rd class requirements within one calendar year in order to remain eligible for the band. Students will be responsible for the following in an audition.

Wind Instruments and Melodic Percussion:
1. Scales – Chromatic (Full Range of your instrument), Concert Bb, Eb, Ab, Db, G, C, and F Major (All scales should be performed from memory)
2. Own a recommended instrument in good playing condition by their sophomore year in high school.
3. Demonstrate a basic knowledge of note values through sightreading.
4. Present a neat, personal appearance.

Percussionists:
1. Rudiments: The first 12 standard rudiments for snare drum.
2. Be able to count and play pages 40-41 in the ensemble drill book.
Instrument Requirements
1. By the time a student reaches the 10th grade, he/she should own a recommended top or mid-line instrument.
2. Certain brands of instruments are inferior and thus would be detrimental to the student and to the band. Different brands make pitch compromises in different ways which makes it necessary for matching brands to be used.
3. Listed towards the end of this handbook are the instruments that are recommended for the Pearl Band program.

RULES AND REGULATIONS
1. Each band member is expected to attend: (a) all rehearsals during the school day (b) any after school and night rehearsals (c) the annual band camp and summer rehearsals (e) all performances. Band students who drop band from their schedule or are dismissed during the school year will receive a zero in band for the semester and no credit for the semester.
2. Absences from band rehearsal are either excused or unexcused. Absences due to (a) personal illness, (b) death in the family, (c) an emergency, (d) personal involvement in another school function, or (e) special permission from the band director or principal obtained in advance by the parent of guardian shall be EXCUSED. Absence due to any other reason shall be considered UNEXCUSED. Doctors notes must be presented for personal illness to be excused. The student must show consistent responsibility in these areas. Doctor or dental appointments need to be made after school if possible so the student won’t miss rehearsal.
3. Only (2) unexcused absences from rehearsals will be accepted. Upon being absent from the third rehearsal unexcused, the student shall receive and “F” for the nine weeks and have a parent conference. Upon the fourth unexcused absence, the student will be considered for dismissal from band.
4. Only one unexcused absence from a band performance may result in the immediate dismissal of the student from the performing band for the remainder of the school year. A performance is considered any event in which the entire band or part of the band, i.e. symphonic band, is to perform and all members of the performing organization are required to attend. Band students who drop band from their schedule or are dismissed during the school year will receive a zero in band for the semester and no credit for that semester.
5. When a student becomes a member of the “Pirate” Band, he/she agrees to abide by all rules and regulations stated in the handbook. If he/she does not
abide by these rules and causes himself/herself to be dismissed from the band, he/she may not be readmitted to the band the following school year without the consent of the band staff.

6. It is the responsibility of the student and/or parents to contact your director PRIOR to a performance if you are going to be late or cannot attend.

7. **Each student is responsible for hearing and seeing all announcements.** Failure to look and listen is not a reliable excuse. A time for meeting will be specified for all performances. This is a formation time, **NOT AN ARRIVAL TIME.** A listing of performances and rehearsals complete with times can usually be found on the band website, [www.pearlpirateband.org](http://www.pearlpirateband.org).

8. Students should arrange personal jobs and extra church functions so as not to conflict with rehearsals or performances. **Work is not considered an excused absence.** Performances and rehearsals are announced well in advance so that these activities, as well as family trips, should not conflict.

9. All students travel to football games, contests, and outings on the bus. Students may be released to their parents at the conclusion of the event. Parents wishing for their student to ride home with them must sign their student out with a band director. If you wish to ride home with another band family, you must have your parent contact the director prior to the trip. We will release you to the band parent that is specified by your parent. Students, be certain you understand this routine. It is for your protection.

10. Smoking, consumption of alcoholic beverages and the use of controlled substances will not be tolerated in the band program. Students caught breaking this rule may be suspended from band for a maximum of one calendar year, will receive a zero for the semester’s grade, no credit for that semester and may not be readmitted to the band for the following school year without the consent of the band staff.

11. School disciplinary measures that cause a student to miss a band performance will result in the student’s grade being lowered to a zero for the nine weeks and a parent conference will be scheduled.

12. **Any band student with inappropriate behavior that is in habitual or severe violation of the Pearl Public Schools Student Code of Conduct may be dismissed from the band program at the discretion of the band director and administration.** This includes, but is not limited to Category 3 or Category 4 violations (Fighting, etc.)

13. The band staff PRIOR TO the shirts being printed must approve all of the printing on “section” shirts.
RULES CONCERNING THE CHALLENGE/ALTERNATE SYSTEM

Attendance:
1. Summer rehearsals are required.
2. Band Camp – Attendance is mandatory.
3. Afterschool rehearsals are required. Failure to attend will result in alternate status.
4. Alternates will be determined by marching and playing skills demonstrated during rehearsals.
5. Alternates will be announced during the week of band camp.
6. Alternates will have the option of challenging 1 person per week within their section for a position in the show. Challenges will end in late September.
7. A challenge shall consist of marching assigned drill sets and the corresponding music. Challenges will be held each week after the first football game.
8. Extended illness, injury, or absences: A person who misses rehearsals because of illness, injury, or absences may be placed on alternate status at the discretion of the director.

MUSIC, EQUIPMENT, FEES, UNIFORMS, AND BAND CREDIT

1. Each student is responsible for the welfare of any and all equipment, music, uniforms, etc. issued to him/her. Any lost or damaged music or equipment must be replaced or paid for by the student.
2. Each student is expected to have all proper equipment at all rehearsals. This includes instrument, sticks, music, pencil, etc.
3. **Band Fees:** Each student is assessed a $25 per semester band fee/uniform fee. Students who use school owned equipment are assessed $60 per semester to help defray the cost of equipment. (Students will be responsible for correcting any damage that may occur to said instrument due to negligence on their part.) Monies from this fund are used to buy additional equipment, music, instruments, insurance, etc. as needs arise. Band dues are also used to help fund future uniform purchases by the district.

**Student Accounts:** To fund the Pearl High School Band Program each band member is responsible for their portion of the cost of the various activities that the band participates in each year. These costs include: entrance fees, travel costs, uniform costs, and other such items not covered by district funds. The cost of each student account will vary from year to year depending on the events attended. The total amount of each student account will be announced towards the beginning of each school year and a payment schedule will be
provided. The general band student account does not include percussion, colorguard, winterguard, or indoor percussion fees. We highly encourage ALL students to take part in the various fundraisers that we provide to cut down on the out of pocket costs to individual families. **Important:** We encumber many costs in advance on students’ behalf. For this reason, there can be no refunds due to ineligibility, inappropriate student conduct resulting in non-participation, or change of schedule, as expenses are pre-paid. Please plan well in advance.

Any student owing fees will be placed on the appropriate school’s fine list and not be allowed to continue in band and/or considered for additional positions/groups until payment arrangements are made. Parents of any student with financial difficulty must contact a director by email or phone in advance of any due date for an extension. **TOTAL PARTICIPATION in ALL FUNDRAISERS is required for anyone in this circumstance.**

4. Two units of credit are given to each member of the band each school year for band and ensemble classes, after completing the year in good standing.

5. Each student is assigned a special area for his/her instrument. Always leave your instrument in the area assigned to you and have your name clearly marked on your instrument.

6. Take pride in your band rooms. Put trash in the trashcans. Do not write on shelves, doors, walls, stands, chairs, etc.

7. You are to play only your instrument assigned to you. Damaging the band room or any of its equipment will not be tolerated. Disciplinary action will be taken and damage will be paid for by the student.

8. When you are in uniform, you are no longer an individual, but a representative of our band, school and community.

9. YOUR UNIFORM IS TO BE COMPLETE AT ALL TIMES IN PUBLIC UNLESS SPECIFIED BY A DIRECTOR.

10. Always remember that before, during and after a public performance you are in a public spotlight because of the uniform you wear. The impression you leave must be a good one.

11. Food and drinks are not allowed in the band stands at football games except during break times.

**FUNDRAISING**

Each member of the high school band is expected to generate an equal share of the expenses for the band to travel. The amount will vary from year to year. The students will be given ample opportunities to earn his/her share, or he/she may simply pay
their share. **We must have every student pulling his/her fair share in order for an organization such as this to offer the greatest opportunity for its members.**

**STUDENT BAND OFFICERS AND DUTIES (ELECTED)**

**President:** Student representative of the band; conducts band officer meetings; sees that officer meetings are held when needed; appoints and coordinates committees as needed; reports to directors any problems or suggestions that may improve the band program; in charge of coordinating the Senior project.

**Vice-President:** Assumes all duties of the president in his absence; assists the president with Senior Project.

**Secretary:** Takes minutes of each meeting; cuts out and posts any band publicity from newspapers.

**Treasurer:** Is responsible for any money taken up from students for special projects or functions.

**Reporter:** Responsible for preparing articles for the school newspaper.

**Photographer:** Takes pictures of all band activities and compiles and constructs a photo album of the year’s activities.

**Class Representatives:** One student will be elected from each class in order to insure that each class is represented on the Band Council.

**GRADING SYSTEM FOR THE HIGH SCHOOL BAND**

**Music Grade (the academic grade)**
This grade will be derived from the student’s participation, performance and progress on his/her instrument during full band rehearsals each nine-week term.

**Rehearsal Attendance:**
Consistent attendance in rehearsals is a must to insure maximum rehearsal efficiency of the band and to maintain a high level of performance. Unlike a classroom situation, an absence from a band rehearsal affects everyone, not just yourself.
GRADING SYSTEM FOR THE JUNIOR HIGH SCHOOL BAND

All band students in grades 6, 7, and 8, will be given assignments each week. The grading scale set forth by the Pearl Junior High School Handbook will be used. All students are expected take their instruments home to practice playing assignments and complete the written assignments at home when necessary. Each student is expected to practice his/her instrument on a regular basis. Each student is expected to show improvement throughout the year. If a student does not pass off the assignments given and does not demonstrate mastery of skills tested, then that student may not be allowed to continue on in the band program. If a student misses an assessment, it is the student’s responsibility to make up that assessment in an appropriate time.

POINTS FOR ACHIEVEMENT PROGRAM

Explanation of “Points of Achievement” Program (High School)
One measurement of learning and achievement in the high school band will be derived from the number of points earned by the student. Several awards will be based on this point system.

There are several ways a student may earn points. These ways are listed on the next page. When a student completes the achievement that he/she is seeking, they receive a number of points listed. In order to earn a band medal, a student must receive 500 points during the school year.

DRUM MAJOR REQUIRMENTS

DRUM MAJOR:
The Drum Major of the Pearl Band will use corps style conducting execution. Tryouts will be held in the spring of each year and will require the student to conduct a recording of music, demonstrate marching skills, vocal commands, “sight” conducting, basic conducting patterns, and a brief interview. To be eligible to audition for drum major, the student must have completed his/her 2nd Class Musician Requirements.
Pearl “Pirate” Band Colorguard

The number of members in the colorguard will be determined each year by the director. This number may vary from year to year. Students are selected according to their ability to execute various flag, rifle, and movement/dance fundamentals, and a group routine. Auditions will be held in late spring.

Pearl Band Colorguard Handbook

Congratulations on being accepted as a member of the 2018-2019 Pearl High School Pirate Band Colorguard. We are very excited about having such a talented group and we are looking forward to an exciting year. During this season, we will be performing in pre-game, halftime shows, competitions, and parades. We hope that you will make friends within this organization to last your high school years. We look forward to coaching and getting to know all of you.

Student Responsibilities:

**Respect:** You must show respect at all times! This includes your attitude towards directors, instructors, captains, drum majors, and each other. You must have a positive attitude and show good sportsmanship. Gossiping or “Trash Talking” other teams, bands, guards, or members will **NOT** be allowed! Be helpful and considerate toward others! You must be willing to work hard and rehearse like you will perform at EVERY rehearsal, despite the heat, rain, or any other conditions.

**General Appearance:** Appearance is extremely important as we perform in front of hundreds of people every week. It is important that you always look your best not only for performances, but also when wearing any PHS Guard or Band attire. Visible tattoos or body piercings are prohibited. If you do not look up to par, you will be denied performance privileges.

**Hair:** The Color Guard Instructors will determine specific styles. If you have any trouble with the specific style, please speak with the Color Guard Instructors. Extreme hair colors are prohibited. **Hair must be pulled back out of your face during EVERY rehearsal.**

**Make-up:** Full make-up must be worn for all games, pictures, parades, and other performances. If the Color Guard Instructors or Captains feel your make-up is inappropriate, you will be instructed to fix it. Due to the nature of our activity, **theater make-up must be worn.** It will be heavier than what you wear every day. Colors will be determined by the Color Guard Instructor. No fingernail polish is allowed. **Performance privileges can be taken away for failure of meeting make-up and hair expectations.**

**Jewelry:** NO jewelry is allowed for any performance unless it is part of the uniform.
**Uniforms:** All uniforms must be clean for every performance. If you are uncertain about how to properly clean any piece of your uniform, please ask the Colorguard Instructors. You are responsible for every piece of your uniform, including shoes and gloves. Appropriate undergarments are also a major part of your uniform. The Colorguard Instructors will let you know what style and color undergarments to wear under your uniform. Members will not perform if their uniform is not worn correctly. **YOU SHOULD NOT EAT IN UNIFORM!** When you are in uniform, you should be your best self. No vulgar language or negativity!

**Rehearsals:** We will be having our Tuesday morning summer rehearsals each week. We feel the girls need these rehearsals to build stamina, strength, and focus on fundamentals. All of these skills will make the guard stronger. There will be a total of 6 rehearsals. Students must attend at least 4 of these rehearsals. If you will not be at rehearsals, you must let instructors know, so that we will know who to expect. If you are in town, you must come; don’t skip rehearsals. Alternates will be chosen, and attendance at rehearsals will be taken into consideration. One of the rehearsals will coincide with a full band summer rehearsal. The rehearsals for all guard will be from 7:00am-10:00am. The weapon line will rehearse from 10:00am-11:00am. We are starting at 7:00 to keep students out of the heat. We will be running or doing some type of exercise/workout from 7:00-8:00. Please come prepared (tennis shoes and water!!!) 8:00-9:00 will focus on movement/dance technique. 9:00-10:00 will focus on flag technique. On band camp days, the guard is expected to attend and follow band scheduled times.

**Summer rehearsals:**
- **Tuesday, May 29th** 7:00 am -10:00 am (weapons 10-11)
- **Tuesday, June 5th** 7:00 am-10:00 am (weapons 10-11)

**Band Camp is required!!!** Band camp dates are **July 16-20**, and **July 23-27**. You must attend band camp!! Mr. Rowan will send out an email with a detailed schedule for these two weeks. Failure to be at ALL of band camp will result in Alternate status, and possible removal from the group.

- Wednesday 1:35-3:15 (Full Band)

Thursday Night Rehearsals (Required) – 6:00-8:00 PM: Sept. 20, Sept. 27, Oct. 5, Oct. 11, Oct. 18, Oct. 25, Nov. 1

Thursday night rehearsals are required in order to perform at football games and competitions that week.

If an absence is unexcused or if a student accumulates excessive absences, it will be at the director’s discretion to allow student to perform or replace her with an alternate.

Rehearsal Rules:
Absolutely NO Gossiping or “Trash Talking” other teams, bands, guards, or members
DO NOT sit or lay on silks
Do not let a band member or anyone else play with the flags or other guard equipment
Never leave equipment lying out, you will be responsible for the damage or if lost
No calls unless it is an emergency, cell phones must be put away during practice
No gum during rehearsals
Be on time for rehearsals and coming back from breaks
No leaving until the end of rehearsals
No leaving school campus during short breaks
Disorderly behavior and abusive language will not be tolerated
You are expected to have your drill, gloves, black tape, and a pencil on you at all rehearsals
Pass-offs are to be turned in by the due date, not a day later. More info will be given later!

Rehearsal Punishments
Push-ups
Laps around the football field/school/practice field
Drop spins and/or Peggy Spins
If Severe: Possible denial of Performance privileges/Removal from the group

Equipment: It is your responsibility to take care of the equipment. Lost or excessively damaged equipment will be your responsibility to replace. Do not slam or scrape the poles on the ground. You should NEVER sit on any practice or performance flag! All flags must be rolled up during breaks.
You are responsible for purchasing and turning in 2 rolls of black electrical tape (and 2 white for weapons). 
You will also be expected to have a roll of tape on you at all practices.

**It is your responsibility to get holes in flags mended!!!! Don’t wait until the day before a performance!**

Tardiness and Absenteeism: It is YOUR responsibility to be on time and at every rehearsal. Absences will be taken very serious this year. You must let Ms. Ratcliffe or Ms. Summerlin know if you are going to be absent ahead of time. Failure to do so will result in an unexcused absence, resulting in missing a performance and possibly alternate status, should the problem persist. Excessive tardiness could also result in alternate status. We understand that things come up, but please remember to let us know when you get checked out, or if you are going to miss a practice. If you are absent for some reason, it is your responsibility to learn what you missed, BEFORE the next rehearsal, on your own time.
**Tardiness and Absenteeism:** It is **YOUR** responsibility to be on time and at every rehearsal. You must call Ms. Ratcliffe, Ms. Summerlin, or your Guard Captain if you are going to be late or absent! If you miss, you must have a written excuse.

**Quitting:** We expect all members to fulfill their obligations until the end of the season. Any member who does not finish the season due to any circumstance is responsible for paying their account in full.

**Physical Fitness:** We recommend that you exercise over the summer and throughout the season. This will help you maintain your strength and build your endurance. It is important to be in shape! The Color Guard Instructors and Band Directors should be notified of any health or physical ailments. Please avoid soft drinks as much as possible. It is recommended to bring water to all rehearsals.

**Clothing for Rehearsals:** Please dress appropriately for rehearsals. Wear clothes and shoes that are easy to move in and are comfortable. It is best to wear tennis shoes or dance shoes. NO SANDALS, BOOTS, OR BARE FEET are allowed. Blue jeans and jean shorts are not allowed. Spaghetti strap shirts and low cut necklines are not allowed. If the proper clothes are not worn, you will be asked to change or leave practice.

**Captains:** Senior and Junior captains will be decided during the last Tuesday rehearsal before band camp. Mrs. Sudduth, Ms. Henry & the band staff will determine captains. Decision is based on displaying leadership skills, strong work ethic, reliability and behavior throughout the summer.

**Alternates:** We will have alternates. Alternates will be decided on the first day of band camp. If a member does not attend the required amount of summer rehearsals and band camp, neglects to follow rules, is absent or tardy to several practices, or does not know the routine for the show within the given time, they will be placed as an alternate. Alternates are considered a member of the colorguard and can earn a spot in the marching show by challenging the member they shadow at designated times set by the band directors.
Mission Statement
The goal of the Pearl High School Indoor Percussion Ensemble is to provide the students of the Pearl Band a regionally and nationally competitive opportunity to perform in the Mississippi Indoor Association (MIA) and Winter Guard International (WGI) circuits. This ensemble uses a vehicle of indoor percussion ensemble music to learn marching/movement, how to work as a team, and contemporary rehearsal techniques.

Rehearsals
Rehearsals are crucial to the success of the group. The season will last from the middle of November to mid-April. Each student of the group can expect to have at least two after-school rehearsals a week when there is no performance, and three rehearsals a week on performance weeks. Every effort will be made to construct the rehearsal schedule around the students’ other activities (basketball, soccer, choir, etc), so there should be minimal absenteeism.

1. Please be sure to schedule doctor’s appointments, etc. on days that you don’t have rehearsal. Remember: doctors work for you; not vice-versa.
2. If you miss Fourth/Eighth Block during the school day, you may not participate in any indoor percussion rehearsals on the same day.
3. Excessive absences or tardies for any reason may be cause for the student to not participate in a competition.
4. All unexcused absences are covered by page ten of the Pearl Band Handbook.

Audition Information:
1. All spots in the group must be earned. No one from the marching band percussion group may keep their spot without an audition.
2. Any non-percussionist that auditions for the Indoor Percussion Ensemble that was not in the Marching Band Percussion Ensemble must qualify for the following season’s Symphonic or Concert Band on the Concert Audition in November in order to participate.
3. Any student whose primary instrument is percussion that chooses not to participate in the Indoor Percussion Ensemble will not be eligible for the Symphonic Band.
4. Audition materials will be posted to the indoor percussion page of www.pearl.k12.ms.us/mlittle immediately after State Marching Band Championships.
Financial Obligation:
Each member of the ensemble will be expected to meet the financial obligations of the Pearl Band and the Indoor Percussion Ensemble.
1. Fees will be announced before November.
2. The first payment is due by 4pm on the day after the last audition. If this amount is not paid by this date/time, the student’s spot in the group may be lost.
3. The first payment of will not be refunded (and will not be re-applied to their general band account) if the student decides not to participate in the group.
4. Any student that is experiencing a financial situation that would keep them from keeping up with the fee schedule must participate in all band/indoor fundraisers.
5. Any student that chooses to quit the group (after being selected) or is asked to leave will still be required to satisfy all financial obligations to the group.
